Amendments to the Drawings:

The attached three (3) replacement sheets includes changes to Figure 1, Figure 4 and Figure 5. It is submitted that labels 8 and 25 correctly point to the features to which they refer. Reference number 26 has been added (with an accompanying change in the Specification).

In addition, Figures 4 and 5 have been exchanged; i.e., Figure 4 has been re-numbered as Figure 5 and Figure 5 has been re-numbered as Figure 4 to properly correspond to the description in the Specification.

No new matter has been added by the amendments to the drawings.

Attachment: Three (3) replacement drawing sheets.
